

Pattern of Days

By Craig Paardekooper

After the 7 days of creation, Genesis 5 provides a record of Adam's descendants until the time of the Flood, which brought an end to Adam's world.

⁵ This is the written account of Adam's family line.

When God created mankind, he made them in the likeness of God. ² He created them male and female and blessed them. And he named them "Mankind" ^{1a} when they were created.

³ When Adam had lived 130 years, he had a son in his own likeness, in his own image; and he named him Seth. ⁴ After Seth was born, Adam lived 800 years and had other sons and daughters. ⁵ Altogether, Adam lived a total of 930 years, and then he died.

⁶ When Seth had lived 105 years, he became the father ^{1b} of Enosh. ⁷ After he became the father of Enosh, Seth lived 807 years and had other sons and daughters. ⁸ Altogether, Seth lived a total of 912 years, and then he died.

⁹ When Enosh had lived 90 years, he became the father of Kenan. ¹⁰ After he became the father of Kenan, Enosh lived 815 years and had other sons and daughters. ¹¹ Altogether, Enosh lived a total of 905 years, and then he died.

¹² When Kenan had lived 70 years, he became the father of Mahalalel. ¹³ After he became the father of Mahalalel, Kenan lived 840 years and had other sons and daughters. ¹⁴ Altogether, Kenan lived a total of 910 years, and then he died.

¹⁵ When Mahalalel had lived 65 years, he became the father of Jared. ¹⁶ After he became the father of Jared, Mahalalel lived 830 years and had other sons and daughters. ¹⁷ Altogether, Mahalalel lived a total of 895 years, and then he died.

¹⁸ When Jared had lived 162 years, he became the father of Enoch. ¹⁹ After he became the father of Enoch, Jared lived 800 years and had other sons and daughters. ²⁰ Altogether, Jared lived a total of 962 years, and then he died.

²¹ When Enoch had lived 65 years, he became the father of Methuselah. ²² After he became the father of Methuselah, Enoch walked faithfully with God 300 years and had other sons and daughters. ²³ Altogether, Enoch lived a total of 365 years. ²⁴ Enoch walked faithfully with God; then he was no more, because God took him away.

²⁵ When Methuselah had lived 187 years, he became the father of Lamech. ²⁶ After he became the father of Lamech, Methuselah lived 782 years and had other sons and daughters. ²⁷ Altogether, Methuselah lived a total of 969 years, and then he died.

²⁸ When Lamech had lived 182 years, he had a son. ²⁹ He named him Noah ^{1c} and said, "He will comfort us in the labor and painful toil of our hands caused by the ground the LORD has cursed." ³⁰ After Noah was born, Lamech lived 595 years and had other sons and daughters. ³¹ Altogether, Lamech lived a total of 777 years, and then he died.

³² After Noah was 500 years old, he became the father of Shem, Ham and Japheth.

We are told that the Flood occurred in Noah's 600th year, so we can calculate the duration from the Creation Week till the Flood -

$$130 + 105 + 90 + 70 + 65 + 162 + 65 + 187 + 182 + 600 = 1656 \text{ years}$$

7 Days

There are 365.256 days in a year, so 1656 years is a period of $365.256 \times 1656 =$

$$777.77 \times 777.7 \text{ days}$$

This is interesting, since Adam's world was said to be created in 7 days, and now we see that it was destroyed after 777.77×777.7 days.

What is perhaps even more curious is that a day divides into intervals of seconds, minutes and hours thus –

$$60 \text{ seconds} = 1 \text{ minute}$$

$$60 \text{ minutes} = 1 \text{ hour}$$

$$24 \text{ hours} = 1 \text{ day}$$

$$\text{and } 777.77 \times 777.7 \text{ days} = (60 \times 60 \times 24) \times 7 \text{ days}$$

So, the world was created in 7 days, and lasted 7 "days". It's curious, isn't it.

70 Generations

The book of Enoch tells us that Enoch pronounced a judgement against the angels who rebelled at the time of the Flood. These angels were to be imprisoned for 70 generations until their judgement.

The Book of Luke, in the New Testament, tells us that Enoch lived in the 7th generation after Adam, and Jesus Christ lived in the 77th generation – so there are 70 generations between Enoch and Christ. So we should start counting the 70 generations from the passing of Enoch.

According to Ussher's chronology, Enoch lived until 3017 B.C. Christ lived until 30 A.D. and so the 70 generations comprises $3047 \text{ years} = 1,112,935 \text{ days}$.

Judgement Under the Law

According to Ussher's chronology, the Law was given to Moses in 1491 B.C., and from the giving of the Law until the judgement of the angels there are $1491 + 30 \text{ years} = 1521 \text{ years} = 555,554 \text{ days}$.

Similarly from the passing of Enoch till the giving of the Law there are $3017 - 1491 = 1526 \text{ years} = 557,000 \text{ days}$.

So we can see that the Law was given midway between Enoch and Christ.

To be judged there must be Law under which judgement is given, and we find the law pronounced 557,000 days after the 70 generations began, and 555,554 days before the 70 generations ended.

It is curious that from the giving of the Law in 1491 B.C. until the giving of the Spirit at Pentecost in 30 A.D. there are 555,554 days.

A Pattern of Days

So, the angels were judged 555,555 days after the Law was given, and approximately 1110000 days after Enoch pronounced their judgement.

It will not have escaped your notice that $555,555 \times 2 = 1,111,110$ days and that a number comprised of 7 ones might aptly designate the 70 generations of the angel's imprisonment.

Angel Numbers ?

I googled 1111111 and curiously it is called an "angel number" as is also 555555, and also 777. Angel numbers are defined as triple digit numbers such as 111, 222, 333, 444, 555, 666, 777, 888, 999.

It seems that the detention of the angels for this duration was not random, but was a sentence fitted to their identity.

In Summary

We see that the Flood occurred 777.77×777.7 days after the Creation Week, but the judgement of the angels who instigated that rebellion took place over 70 generations of "1110000" days, that split into two equal parts each of "555,555" days each !

Angels and Creation

Vladimir Shcherbak found that the Genetic Code embodies a mathematical pattern centred on the numbers 111, 222, 333, 444, 555, 666, 777, 888, 999.

This suggests that angels had a part in Creation. It also helps explain why what they helped to create, and later corrupt, was finally destroyed after 777.77×777.7 days, and why their own imprisonment would last 1110000 days.
