

Rationality of Re-Creation

“Then I saw ‘a new heavens and a new earth,’ for the first heaven and first earth had passed away, and there was no longer any sea. I saw the Holy City, the new Jerusalem, coming down out of heaven from God, prepared as a bride beautifully dressed for her husband. And I heard a loud voice from the throne saying, “Look! God’s dwelling place is now among the people, and he will dwell with them. They will be his people, and God himself will be with them and be their God. ‘He will wipe every tear from their eyes. There will be no more death’ or mourning or crying or pain, for the old order of things has passed away.

He who was seated on the throne said, ‘I am making everything new!’ Then he said, ‘Write this down, for these words are trustworthy and true.’

He said to me: ‘It is done. I am the Alpha and the Omega, the Beginning and the End. To the thirsty I will give water without cost from the spring of the water of life. Those who are victorious will inherit all this, and I will be their God, and they will be my children. But the cowardly, the unbelieving, the vile, the murderers, the sexually immoral, those who practice magic arts, the idolators and all liars – they will be consigned to the fiery lake of burning Sulphur. This is the second death.’” Revelations Chapter 21

The Book of Revelations chapter 21 describes –

1. creation of a new heavens and new earth,
2. disappearance of the sea,
3. end of death,
4. new Jerusalem
5. final judgement

There are several signs pointing to the new heavens and new earth –

1. **THE BEGINNING** : The initial Creation suggests that there can be a re-creation. Once we accept the possibility that an Intelligence is responsible for the beginning of life on earth, then we can see that a re-creation is also possible.

For example : howbad.info/8a-behe.pdf

2. **THE END** : A beginning means there may also be an end – absolute justice requires some terminal point. Once we realize that the first world ended after 7 “days” then we can see how this points to a similar ending for our world.

For example : [ages-of-world-3.pdf \(howbad.info\)](http://ages-of-world-3.pdf(howbad.info))

3. **NO DEATH** : The fall in lifespan suggests that there can be a restoration of lifespan. Once we realize that lifespan has declined since pre-flood times, then we can see that its restoration is not impossible.

For example : [lifespan.pdf \(howbad.info\)](http://lifespan.pdf(howbad.info)) and [lifespan-nations.pdf \(howbad.info\)](http://lifespan-nations.pdf(howbad.info))

4. **NO SEA** : In the new earth there is a single continent (no longer separated by seas) just as there was before the Flood (as evidenced by submerged river valleys). Once we see that in pre-flood times land areas were not separated by oceans, then we can see how a restored earth may have a single continent.

For example : howbad.info/flood2.pdf

5. **THE CITY** : In the book of Revelations, the new Jerusalem is described as a cube of 12000. This same cube appears in the book of Genesis, where it is a cube of 288 x 288 x 288 or 12 x 12 x 12 x 24 x 24 x 24. Once we see the cube in Genesis 1, then the appearance of the same cube in Revelations makes sense.

This cube of 12 is also found in the relationship between the heavens and the earth. It occurs in the distance of the Moon and Sun from the earth, and also in the distance of the planets from the Sun. Once we see this design in nature, we can see how a new heavens and earth might also be structured around this pattern.

For example : [8g-heaveneearth.pdf \(howbad.info\)](http://8g-heaveneearth.pdf(howbad.info))

6. **UNION OF HEAVEN AND EARTH** : Restoration of the earth is implicit in the idea that heaven and earth are a unity – they were made to be one. A sign for this is the squared circle relationship between Earth and Moon. Another sign is the interplay between 666 and 703 in the balances of the amino-acids.

For example : howbad.info/8b-aminoacids.pdf

7. **PROPHECY** : The 66th Book of Isaiah parallels the 66th book of the Bible , and prophecies the new heavens and earth.

8. **RESURRECTION** : The resurrection of Christ is an example of the resurrection (re-Creation) of the heavens and earth – restored to their primeval perfection.

THE PROMISE

There was a Beginning. There will be an End

The Bible states that those who are persecuted or who perish at this time for siding with what is right and true will have a part in the new heavens and new earth.

“Those who are victorious will inherit all this, and I will be their God, and they will be my children.”
