

COVID VACCINE FACTS

IS THIS VACCINE SAFE ?

Official records from USA show that many deaths and disabilities have been caused by this vaccine.

Source : <https://openvaers.com>

1. HAVING A BABY

- It injures women twice as much as men
- It causes excessive bleeding in 40% of the women who take it
- It causes blood clots in mother and baby
- It causes heart damage in mother and baby

2. ATHLETIC PERFORMANCE

In USA and Europe more than 1798 sports people and athletes have had heart attacks since taking the COVID vaccine – 1244 of them just dropped dead. Before the vaccine, the average number of cases was only 29 per year – its increased by 62 times after the vaccine!

3. AIRFORCE & PILOTS

Pilots who took the Covid vaccine so they could keep their jobs, now have severe heart issues. Many have had heart attacks while flying !

4. CIVILIAN INJURIES AND DEATHS

Hundreds of thousands of people were injured by the COVID vaccine and published their testimonies on Facebook. The injuries were horrific. US Government ordered Facebook to delete these testimonies.

Your health is the most important thing you own. Please do not take this horrible vaccine. It has caused so much injury and death. If your teacher or any doctor or any official tries to force you, RUN.
